*Dew Line* – A line of radar stations intended to give us early warning if Russia launched a missile over the North Pole.

*M.A.D.* – The theory that if Russia launched a nuclear strike, we would respond in kind. There would be no winners.

*Brinkmanship* – An apparent willingness to go to war, so your opponent will back down

# NATO v. Warsaw

---

	NATO	Warsaw
Tanks	13000	42500
Troops	2.6 million	4 million
Artillery	10750	31500

*Looking at these numbers, how would you respond as an important leader in NATO?*

NATO emphasized quality, the Warsaw Pact emphasized quantity
