Clubs - Korean War

Spades - Red Scare

Diamonds - Arms Race/Space Race

Hearts - Berlin Blockade/Airlift

Definition, why it happened, what resulted

How involved is the United States in foreign affairs during the Cold War?

# Bay of Pigs Invasion video

---

<https://www.khanacademy.org/humanities/world-history/euro-hist/cold-war/v/bay-of-pigs-invasion>

Fill out the front of your note sheet as you watch the video. Pay special attention to why we did the operation, whether or not it was successful, and what the consequences of it were.

# Bay of Pigs Review

---

Who was the leader of Cuba after the revolution?

Why didn't America like him?

What was the plan to get rid of him?

How did it go?

# Cuban Missile Crisis Activity

---

We're going to use the information that the United States had at the time to make a recommendation to President Kennedy

What are the risks if we make a bad recommendation?

Part A: Should we launch a secret U2 spy plane to get more information/pictures?

Part B: Does Cuba have nuclear missiles?

Part C: Is Cuba ready to attack (Are the missiles operational)?

# Primary Source Analysis

---

<https://www.youtube.com/watch?v=yt8SB1x9P9I>

How do we resolve the Cuban Missile Crisis? What happens if we don't come up with a peaceful compromise?

Read the primary sources to look at negotiations between important American leaders and important Russian leaders to see what they can come up with
